## Trust

Safeguarding your dealership against breaches and identity theft helps you maintain consumer trust and protect your reputation.

## Compliance

Make sure your network meets all the regulatory guidelines. Avoid expensive fines and legal costs.

## Safety

Keep bad actors out of your customers' data and keep them safe from identity theft with Network Protect.

## CDK Network Protect Features

Stay safe. Be proactive. And relax, knowing you won't be joining the 85% of automotive dealerships that were hit with a security breach in the last 24 months.

### Real-Time Threat Monitoring

Free up your IT resources to focus on other network needs and opportunities with 24/7/365 security monitoring.

### Proactive Alerts

When a cyber event occurs, you want to know about it ASAP. This simple-to-use, customized dashboard provides real-time reporting.

### Remote Remediation Assistance

When a network security issue is identified, our technical staff immediately contacts you and walks you through remediation or removal, step by step.

### Regulatory Compliance

Built in controls address GLBA, Star Standards and NIST Standards for data security so you can stop worrying about complying with them.

## Related Solutions

### CDK Cloud Connect

Ready to say goodbye to dropped connections, slow service and business apps that continually go offline? Get CDK Cloud Connect for reliable high-speed internet.

### CDK GetWireless

To keep customers and employees happy, you need consistent Wi-Fi. You also need to monitor usage. CDK GetWireless makes it easy to do both.

## Guard Against Security Threats
